Subject: RE: DA.M2020.008

Hello Pak Freddy,

I am not sure the product is already expired: the specifications gives 9 months from the date of the manufacturer CoC and not from the Date Of Manufacture.

Date of manufacture is June 2019 but the date on the manufacturer CoC is Dec 2019 so I think the product is valid until end of August 2020 which match with the CoC of the distributor "Gaches Chimie".

Please check again.

Best regards / Cordialement.
